

To all North Central District Elks;

After 3 long years of no representation to the State Ritual Contest by a Ritual Team from the North Central District we now have us a winning team.

Congratulations Marysville #783 Team, and Coach Sherry Sparks.

They competed in the District Contest this past Saturday and did an incredible performance.

The reason for this letter, besides to congratulate them, is to let the district know that there is a shortage of funds available to help the team go to San Diego for an opportunity to compete at the State level.

So I am asking anyone that loves the Ritual, or is even interested, for a donation to the winning team to help fund the trip. This is strictly my idea but I thought it would be nice to do so.

Anything that you would like to do please send to Sherry Sparks PER in care of Marysville Lodge #783. P.O. Box 1110 Marysville, CA 95902

Thank you for your consideration of this request, Jeffie Moffet PDD
